Glen Kenneth Reid (Curly)

Glen, dearly loved son of Michael (Mick) and Suzie Reid, was the eldest of six children.

Brother to Reginald—Yuggy (deceased), Frank—Binda, Joan (deceased), Nancy and Richard—Ningel.

Brother in law of Marina (deceased), Janice, Fred (deceased) Don and Jean.

Loved Husband of Dorothy, loving partner of Nancy (deceased), also dearly loved big Uncle to all his nieces and nephews.

Glen—also known as Curly, was born on the 14th may 1926 in the sand hills just off Carlton Parade, on the corner that was known as Martins Corner, near where the current shopping centre is.

Curly's early years were spent with his family at Mount Ives where they lived and worked throughout the region.

Curly left home at the age of 14 to work on stations from one end of the Gawler Ranges to the other.

Over the years Curly worked on many different stations including Kandulka, Nonning, Yardia, Thurlga, Lake Everard, Purple Downs, Frome Downs, Andamooka, Mount Freeling, Moolerwertana and many other stations.

Then in the late 50's, Glen met his partner Dorothy to whom he married and lived with in and around Andamooka for a number of years, frequently travelling up and down to Port Augusta.

In the late 80's, Glen met his partner Nancy Strangways, whom he loved dearly. Although he had no children of his own, he helped Nancy raise her children and grandchild Clifton whom he truly adored. Curly was always happy when he was around his family and the extended family.

Then in the late 90's Curly became ill and had to settle down because of health reasons. He was a proud man and was always happy and greeting people with "that" smile. He will be sadly missed by all of his family—Brothers, sisters, in'laws, nieces, nephews, grandchildren, and his friends especially the Strangways, Dingaman and Wingfield families.

Curly was will known and respected throughout his life and will be sadly missed by all that knew him.

May God keep you safe in the Palm of his hand.
